Visit our nursery, you will find many more new and old varieties not listed. The finest collection of Crotons in South Florida. Also eleven varieties of the most desirable Ixoras

No shipments to California and Texas.

VISITORS ALWAYS WELCOME!

FLORIDA STATE FAIR WINTER SHOW.

During the week of February 11th to 16th the Sunset and Ridge Chapters will hold an exhibit and show at the Florida State Fair. Everyone is invited to attend and participate.

All entries must be in place for judging by 11:00 o'clock on that day and no exhibit or award may be removed before 10:00 p.m. that evening. Awards to out of town exhibitors will be mailed to them if they can't be picked up. Any person who wishes to exhibit blooms and can't come in person may send them in by any suitable carrier, and they will be entered, provided they arrive before the entry closing deadline at 11:00 a.m.

During the afternoon of the show there will be a Hawaiian Variety show for your pleasure and enjoyment so come out and spend the day at the Show and Fair. All your Hibiscus friends will be there looking forward to seeing you.

For obvious reasons, the freeze, it is more important to have the show this year than any other time in the past. If Hibiscus are to be grown by others than the American Hibiscus Society Members, there must be an example set for them. If for no other reason, this should be enough to make this the biggest and best show possible.
